Human: IFNy vs VEH − GO:CC
vesicle
cytoplasm
extracellular vesicle
extracellular organelle
extracellular membrane−bounded organelle
extracellular exosome
extracellular region
extracellular space
proteasome core complex
MHC protein complex
death−inducing signaling complex
endosome
MHC class I protein complex
MHC class I peptide loading complex
membrane
vacuole
phagocytic vesicle membrane
proteasome core complex, alpha−subunit complex
phagocytic vesicle
cytoplasmic vesicle
