Human: IFNy vs VEH − GO:BP
response to other organism
response to external biotic stimulus
defense response
immune response
response to biotic stimulus
defense response to other organism
innate immune response
biological process involved in interspecies interaction between organisms
response to external stimulus
defense response to symbiont
immune system process
defense response to virus
regulation of defense response
response to virus
regulation of response to biotic stimulus
positive regulation of defense response
regulation of immune response
positive regulation of immune response
negative regulation of viral genome replication
negative regulation of viral process
